

**NEWSFLASH!**

## *Hot Topic on Dr. Oz!*

***A Key Ingredient in Adëeva's BODY BURN  
is Featured on the Dr. Oz Show!***

***Hydroxycitric Acid was recently featured on Dr. Oz  
and is a key ingredient in Adëeva's Body Burn!***

Because of recent exposure on the Dr. Oz show, there is a huge increase in the popularity of HCA for weight loss. Adëeva has felt the impact on sales of **Body Burn**, and this has forced them to replenish their stock. The best news is that Adëeva's **Body Burn** contains the exact dosage and standardized grade of Garcinia Cambogia (HCA) that Dr. Oz describes as the "Holy Grail of weight loss supplements — *the newest, fastest fat-buster.*" This safe and effective supplement can provide the missing factor in your weight loss regimen! **PLUS, Body Burn** contains the **fat-burning properties** of decaffeinated green tea — an added benefit.
